Rotary Foundation Minute

This week's Rotary Foundation Minute is more of a visual since I'm sharing links to two of the infographics on the Rotary Foundation website.

The first shows how many district grants, disaster response grants, global grants, and programs of scale grants were given in the 2021-22 Rotary Year (that's last year, the data isn't in yet for this year.) <https://infogram.com/en-rotary-grants-2021-22-1hmr6g7rv30no6n>

The second infographic shows the breakdown of global grants by area of focus. <https://infogram.com/en-global-grants-by-aof-2021-1h7z2l80gjzxx6o>

I hope you have a projector at your meeting this week and that you might be able to show these graphics (or bring up the Rotary Foundation website at <https://www.rotary.org/en/about-rotary/rotary-foundation>) to show your club members where the money goes that they have donated to the Annual Fund or Disaster Response Fund. You know what they say about a picture being worth a thousand words.

I hope these infographics spark discussion in your club. If you or your members have any questions, please feel free to get in touch with me at zoe@unadillarotary.org.

Until next week
