ABOUT DISTRICT GRANTS

District grants fund small-scale, short-term activities that address needs in your community and communities abroad.

What district grants support

You can use district grants to fund a variety of district and club projects and activities, including:

- Humanitarian projects, including disaster recovery efforts
- Local projects
- Youth programs
- International projects

You have plenty of freedom to customize your service projects. Attend our District Grants Webinar on Saturday, February 4th to learn more.
